This album is devoted to the spirit of "Crazy Rhythm" that keeps London Fog alive, and is especially dedicated to our director and friend, Ronald Byrnside. Too often his genius and commitment go unrecognized. The "Fog Album" is an effort to realize a dream and to serve as a testimony to his dedication to music (good music).

Boo Bop Boo Bop.

Produced by Ronald Byrnside
Engineered and mixed by Tom Whipple and Janet Snyder
at Performance Productions, Atlanta, Georgia.
Photography: John Hancock
Artistic Direction and Design: Margaret Luke
Album Coordinator: Kathy Scott
All song arrangements by Ronald Byrnside.
Special thanks to the Agnes Scott Community for its support and patronage.
