LIVE AND BE HAPPY

WORK

The center of our campus life as expressed on the sundial casts a fitting summary of our busy hours on campus.

Four views of buildings around the sundial symbolize our ideals of life at Agnes Scott. Within the dormitories we develop Christian social standards; the dining hall furnishes good food for our physical well-being; in the classroom buildings the faculty deeply stirs our intellectual curiosity. Life on the campus is encompassed by a simple religious faith.

WALLACE McPHERSON ALSTON
PRESIDENT

In his two years as President of Agnes Scott, Dr. Alston has come to be an inspiration to all who know him. His capable leadership and his pride in our college command respect and admiration from everyone. To us as students he presents a challenge for the future.

SAMUEL GUERRY STUKES

DEAN OF THE FACULTY
REGISTRAR

As a personal friend and an academic counselor, Dr. Stukes means a great deal to the students of Agnes Scott. We especially value his sincere interest in others and his friendly understanding of each individual. These qualities explain why he is an invaluable part of every phase of campus life.

In Miss Scandrett the Agnes Scott ideal comes to life. She inspires all who know her with her poise, graciousness, unselfishness, and amazing insight. No other person on the campus means so much to the personal happiness of the students as does Miss Scandrett.

The English department is one which reaches all Agnes Scott students. By offering a wide range of courses, it provides a rich background for a liberal education. Besides directing students' footsteps in profitable paths during college days, the capable members of this department furnish a basis for a rewarding intellectual life beyond campus experience.

SPEECH

Nearly everyone has some of the actor in him. One of the better known functions of the speech department is to train students in dramatics and play production. However, before one reaches this stage, he must first study the fundamentals of effective speech. The dramatics club, *Blockfriars*, gives fine performances quarterly, and speech students often sponsor chapel programs that entertain the entire campus community.

FRENCH

The members of the French department recognize the necessity of being familiar with the thought and customs of countries other than our own, if we would live wisely and well in a world which by virtue of scientific progress is ever decreasing in size. This awareness makes the French department one of the most up-to-date on the Agnes Scott campus. A speaking and reading ability of the language is acquired plus a knowledge of the country itself.

Our depiction in campus diction of life at Agnes Scott;
Liberal Arts is our theme; Graduation, our dream.
Our relation to education is really something to see,
While struggling to get that BA degree.

Lessons that take us all night; Classes that take us all day.
Don't let us break your heart, we really ain't that smart—
We still get to play.

Them's things that we've got.

MASCOT OF THE CLASS OF '53

ELIZABETH FULLER JACKSON

Elizabeth Fuller Jackson came to Agnes Scott College in 1923 and served as associate professor of history until her death in February 1952. During these years she rendered valuable and inspiring service to the changing generation of students coming under the charm of her rich information and her warm friendliness. She had an infinite capacity and enthusiasm for work and a talent for friendship.

The interest she felt in European History, in English, in Russian History, she succeeded in communicating to her students, and instilling in them a real appreciation of Art, Music, and Literature.

A deep personal interest in her students was the outstanding characteristic of her teaching.

The faithfulness and loyalty that marked her service to Agnes Scott was a reflection in our sphere of her brave Christian Character and in her faith and loyalty to God and her church. Her fine, rich spirit which had poured itself out so generously in the years of service and responsibility found itself sustained and soothed in her sufferings, and she faced death with dignity, courage, and faith.

IN MEMORIAM

In memory of Phyllis Ann Fisher who would have graduated this June. Phyllis was born February 6, 1931, and her home was in Paris, Kentucky. At Agnes Scott her major was Biology, and she served as an active member of Christian Association Council. A beloved member of her class, she was known for her genuine friendliness, sense of humor, and zest for living; her death shortly before the opening of this school year has meant a loss to us all.

JUNIORS

ENJOYING SPECIAL OCCASIONS

When the Class of '54 returned to Agnes Scott in the fall, they numbered only a few more than 70. However, they have continued to show the enthusiasm which won for them the Spirit Cup during their sophomore year. Junior sponsors made their large sister class feel at home on the campus during the first weeks of school. On February 7th "Glory Be," or "215 in One Fell Swoop," gave the campus something to talk about for many weeks. With such eagerness and enthusiasm in the past, bigger and better things are certainly in store for this class next year, and with the coming of a new term, "Hail to the Red and White" will again be heard.

Sporting black and gold beanies decorated with '55, the Sophomore class has made itself well known on Agnes Scott's campus this year. Rebekah teemed with the warhoops and Indian, symbol of their class. Dances and yells have enlivened every sports affair. The formulating of the annual campus directory was the class' main project. With two years remaining at Agnes Scott, the Sophomores, if they continue as they have in the past, are headed for many more honors and awards.

FRESHMEN

HAPPY HOURS ON THE CAMPUS

The Freshman class descended upon Agnes Scott in the fall of '52 one-hundred-eighty strong. In Black Cat the versatile talents of the newcomers—dancing, singing, and even an orchestra—were demonstrated. In sports the class of '56, spurred on by much class spirit, has excelled. January 20 was "get acquainted" day for the boarding and day students; a treasure hunt, skits depicting boarding and day student life, and dinner together in the dining hall ended the day with each girl feeling closer to her classmates. "The Freshman class is mighty fine."

SPECIAL EVENTS

COMMUNITY DAY

Shades of autumn! The black cat's bells jingle again. The traditional soph-frosh skit night makes its third appearance in its rejuvenated community day form. The event features an afternoon of sport; competition, a picnic supper, and an evening of entertainment. Community day is primarily to welcome the freshmen, but everyone gets a chance to get into the act.

SENIOR PRODUCTION

"KISS ME AGNES"

Would Agnes choose Cecil, the scholar, Willie, the football player, or Wellington Middleton Drake? The Seniors produced a new kind of Opera this year, and presented a song story of a girl's plight when she could not decide which of her dates she liked best. College life was depicted in its gayest colors and the original songs and tunes set up the lively atmosphere of college social life.

MAY DAY

"A FLOWER FANTASY"

A prince was sad and lonely. As he was sitting in the palace garden, a fairy princess came to him. She tried to make the prince happy by restoring the beauty of the garden, but the prince was still lonely. Finally, the sweetheart rose came forth, and the prince fell in love with her. They were married and lived happily ever after. The May Day Dell made a natural setting for the brilliant colors of the dancing blossoms of this original fairy story.

STUDENT GOVERNMENT RECEPTION

Student government gives an annual reception each fall to welcome the newcomers as well as the old students and faculty. A good time was had in meeting new people on the campus and also in renewing old acquaintances from last spring.

MOCK ELECTION

On October 23 at chapel time the halls of Presser resounded with cheers and shouts of "I Like Ike" and "We Say Adlai." At the rally General Elbert Tuttle spoke for Eisenhower while Mr. James Mackay spoke for Stevenson. Immediately after the speeches the students voted on new voting machines in Buttrick Lobby. This project, sponsored by Mortar Board, gave a feeling of actual participation in a nation-wide movement.

TRUSTEES' DAY

On November 20 the trustees of Agnes Scott attended a joint dinner in the dining hall with the faculty. After a coffee in the library, they were guests at the Blackfriars' fall production in Gaines. Informal contact such as this helped the trustees and faculty to become better acquainted.

RECEPTION FOR SIR GLADWYN JEBB

One of the distinguished guests which Lecture Association presented was Sir Gladwyn Jebb, British Diplomat and head of his country's delegation to the United Nations. His topic for discussion was "The United Nations and the World." Following the lecture, a reception was given for Sir Gladwyn and Lady Jebb in Murphey Candler.

ACTIVITIES

ACTIVITIES—PUBLICATIONS, HONORARY GROUPS, ASSOCIATIONS, AND CLUBS—ARE A LARGE PART OF AGNES SCOTT. SENDING AND RECEIVING NOTICES OF MEETINGS, MEETING DEADLINES, WORKING UP COPY, RUSHING TO PLAY PRACTICE, MAKING A POSTER OR CARD FOR THE BULLETIN BOARD—ARE EVERYDAY OCCURRENCES THAT ENRICH THE MEANING OF OUR COLLEGE LIFE GREATLY.

We who have worked on the 1953 *Silhouette* staff hope that you will find this book an adequate record of this school year. We have worked hard to make it an unusual and interesting picture book; we hope it truly represents the simple dignity embodied by Agnes Scott. We thank all those who have made this book possible, especially Mr. Warren and Dr. Alston for their helpful advice.

The *Agnes Scott News* is the voice of the campus for the students, faculty, trustees, and off-campus friends. Published weekly and supervised entirely by the students themselves, the *News* gives information, recapitulates major events, forecasts future activities, reports and analyzes campus opinion and sometimes even launches a crusade—as the highly successful one last fall which led to the production of the faculty revue. The unsuspecting reader never knows when he will unfold a paper with a picture of Dr. Posey with a Pogo sign, or when the feature writer will break into Ogden Nash poetry, the sports reporter into Bill Stern superlatives, or the editor into international politics.

The *Aurora* is "a literary magazine for student expression." Its keynote is creativity; its purpose is to stimulate interest in extra-curricular writing. The *Aurora* accepts original poems, short stories, essays, and sketches—in fact, anything literary. The staff considers originality and literary merit, plus student appeal. Entries are illustrated, and the final product, i.e., writing with art, is circulated free to the student body once each quarter.

HONORARY GROUPS

PHI BETA KAPPA

On April fifteenth after Dr. Sims gave a brief history of Phi Beta Kappa fraternity, the eleven new members elected from the senior class to the Beta chapter were announced. Election is based on achievement in scholarly pursuits, manifestation of high character, and interest in the college life. Agnes Scott's chapter was established in 1926, the one hundred and second institution and the ninth women's college to receive this high honor.

First Row: Carol Lou Jacob, Pris Shepherd, Margaret Thomason. Second Row: Margaret McRae, Ellen Hunter, Sarah Leathers. Third Row: Barbara Johnston, Rosalyn Kenneday, Belle Miller. Not Pictured: Anne Dewitt George and Charline Tritton Shanks.

MORTAR BOARD

Mortar Board is a national honorary organization for college women. Members are chosen in the spring of the junior year for their scholarship, leadership and service. Since 1931, HOASC, the honor society founded at Agnes Scott in 1916, has been a chapter of the national organization.

Black Cat Night — delicious fried chicken, skits, and songs; Mock Political Rally — speeches for Eisenhower and Stevenson, the band, the electric voting machines; feature articles on Agnes Scott's trustees in the *News*; marriage classes during winter quarter; and movies on Saturday nights are some of the Mortar Board service projects for 1952-53—a year of dedication to the real fulfillment of the goals of Mortar Board:

"To promote college loyalty, to advance the spirit of fellowship and service among university women, to promote and maintain a high standard of scholarship, to recognize and encourage leadership, and to stimulate and develop a finer type of college woman."

The 1953 Hoasc Chapter: Belle Miller, Ellen Hunter, Charline Shanks, Anne Cooper, Ann Baxter, Margaret McRae, Carol Lou Jacob, Ann W. Jones, Mary Ann Garrard, Mary Jo Chapman, Margaret Thomson, Keller Henderson, and Pris Shephard.

Mortar Board Officers: Margaret Thomason, Secretary, Ellen Hunter, Vice Pres., Carol Lou Jacob, President, Keller Henderson, Treasurer, Mary Jo Chapman, Historian.

The campaign speakers mock election day which was sponsored by Mortar Board: James Mackay (Stevenson Supporter), Joanne Miklas, Carol Lou Jacob, Prit Shephard, and General Elbert Tuttle (Eisenhower supporter).

The chapter on recognition morning with their faculty sponsors, Mr. Kline, Miss Leyburn, and Miss Gaylord, and with the speaker for the occasion, Mrs. Holcombe Green.

WHO'S WHO

Ten seniors were chosen for "Who's Who in American Colleges and Universities." They were elected by the senior class, approved by an administration committee, and accepted by the "Who's Who" board.

The Members—First Row: Pris Shephard, Donna Dugger, Margaret Thomason, Carol Lou Jacob. Second Row: Keller Henderson, Margaret McRae, Ann Baxter, Anne Cooper, Anne W. Jones, Belle Miller.

The Alpha Sigma chapter of Chi Beta Phi, national honorary scientific fraternity, proudly claims the distinction of being the first women's chapter in the national society. Since its establishment at Agnes Scott in 1933, the chapter has sought to promote interest in all fields of science, which has been done this year by well known and interesting speakers. Membership is based on scholastic achievement and interest in science. Each year a key is awarded to the chapter's most outstanding member.

ASSOCIATIONS

STUDENT GOVERNMENT ASSOCIATION

Student Government is a hard working organization which governs the students efficiently and fairly. The association began its year of activities on campus with an orientation program designed to provide valuable assistance to the new students. A formal reception for the entire college community under the sponsorship of the organization climaxed the events of the opening week of school.

Included in the year's program of student government activities were a new sewing machine for the campus, planning discussions for student government chapel, discussing dormitory rules, sponsoring a treasure hunt for the freshmen, serving as the national student association committee on campus, conducting discussions on the new election procedure, and carrying on the many routine activities in enforcing dormitory regulations.

"We then, as workers together with Him, beseech you also that ye receive not the grace of God in vain," (II Corinthians 6:1) was chosen as Christian Association's theme passage this year. This passage was chosen to fill a need, to emphasize a part of its program, and to help each student grow in her spiritual life. Christian Association is the fulfillment on campus of the fourth Agnes Scott ideal—simple religious faith. Its program including vesper programs, prayer services, chapel programs, which are carried out on campus is under the charge of the Cabinet. The Council supervises all off-campus activities, such as the Scottish Rite Hospital and the Negro missions.

Dr. Frederick Olert, pastor of the Second Presbyterian Church of Richmond, Virginia, was the Religious Emphasis Week speaker. Chapel sermons, group discussions, and personal conferences with Dr. Olert strengthened the religious faith of all students.

Social Committee is a representative organization which has as its main functions the promotion of the ideal of gracious living, and the participation in social activities on campus. As their 1952-53 project Social Committee, with the aid of Miss Scandrett Mr. Rogers, and other faculty members established a Snack Bar in the Recreation Room. It has come to be one of the popular gathering places on the campus. In addition, Social Committee added to their list of activities the re-equipping of Murphe Candler, the care of the Main Bulletin Board, and the fashion show presented for the freshmen during orientation week. The group meets once every two weeks to discuss plans for the campus with its sponsors, Mrs. McCracken and Mrs. Curry.

LECTURE ASSOCIATION

This year the Agnes Scott Lecture Association has brought to the campus three outstanding attractions. The first of these was the production of Shakespeare's *Love's Labour's Lost* by the Players Incorporated, a high comedy performed in an admirable way. The second attraction was the visit to the campus made by Robert Frost, famed American poet, with whom student members of the Lecture Association dined one evening. Interest was also aroused by the lecture delivered on campus by the outstanding British diplomat, Sir Gladwyn Jebb. These three events, which were sponsored by Lecture Association, are adequate proof of the value this organization has been to Agnes Scott.

Blackfriars, the Agnes Scott dramatic club, claims the distinction of being the oldest club on the campus. It was organized in 1915 under the leadership of Miss Frances K. Gooch and offers an opportunity for students to study acting and play production. Each year the group presents two full length plays. "Take Two From One" was an outstanding production of this fall. Blackfriars is now under the direction of Miss Roberta Winter, and membership is based on dramatic or technical try-outs.

ART STUDENTS' LEAGUE

The Art Students' League got off to a late but running start just this year. Organized to stimulate interest in art among all students as well as its own members, the League immediately began making plans for such projects as an annual Beaux Arts Ball, a square dance, and the redecoration of the Snack Bar. Many creative masterpieces, a new awareness of art in its many aspects, and memories of lots of fun working and playing together are a few of the things this year's work has given us.

The Agnes Scott Glee Club, under the direction of Miss Roxie Hagopian, seeks to bring to the campus community programs of fine choral music throughout the year. The Christmas program is the climax of the organization's fall activities and is eagerly awaited by the campus and all Atlanta. This year the Glee Club presented Benjamin Britten's "Ceremony of Carols" at its Christmas concert. The spring concert featured Mozart's opera, "Bastien and Bastienna" and a group of popular and folk songs. The Glee Club also serves as a choir at the weekly convocation services.

GLEE CLUB

MUSIC CLUB

The Agnes Scott Music Club is a new organization on campus which has many future aspirations. Already it has become a member of the Georgia Federation of Music Clubs, which is affiliated with a national group. At its monthly meetings students of voice, piano, and organ give performances of the music of one certain great composer, about whom the club centers its program theme. This group hopes to fulfill a need on the campus by furthering interest in a subject that offers inexhaustible resources of pleasure. It realizes that a small beginning does not necessarily mean small future prospects; this is a club with a gleam in its eye.

A highlight of this year's activities was the recital presented by the student group for the Georgia chapter, A.G.O. Mr. Raymond Martin is the faculty advisor for the group.

ORGAN GUILD

PI ALPHA PHI

Pi Alpha Phi was organized in 1922 to encourage clear thinking and to form a medium for discussion of current problems concerning school, national, and international affairs. The debating society of Agnes Scott, it trains and encourages potential debaters. Under the competent guidance of Dr. George P. Hayes, faculty advisor, the members take part in inter-club debates and also debate teams from neighboring colleges and universities. The club furnishes the members of the inter-collegiate debate team which represents Agnes Scott in various debate tournaments throughout the South. With the exception of 1953, the club sponsors the All-Southern Debate Tournament held on campus.

The Granddaughters' Club is composed exclusively of those girls whose mothers or grandmothers went to Agnes Scott. A purely social organization, the club designs its meetings to provide entertainment for its members. During fall quarter its main activity is an informal tea at which all the old members greet the freshman granddaughters.

GRANDDAUGHTERS' CLUB

GARDEN CLUB

The Second Rebekah Garden Club was established in the early fall of 1950 by a very select group of interested nature lovers. The primary purpose of this small, but active group was more bushes for the colonnade. However, this was not the only purpose — the real goal being general beautification of the campus. Members went around in their merry, little way, scattering seeds of happiness and culture into fertile soil. The ladies were guided through the rainy and dry seasons by their beloved sponsor and sweetheart, little Wally Alston. Their familiar cry-bushes — can still be heard ringing through the colonnade.

The Distinguished Members: Louise Ross, Donna Dugger, Ann W. Jones, Dicie Armstrong, Adaline Miller, Virginia Claire Heys, Betsy Hill, Roberta Williams, Frances Ginn.

ATHLETICS

"C'MON, LET'S GET THAT CLASS SPIRIT!" SUCH ENTHUSIASTIC YELLS ARE COMMON ON FRIDAY AFTERNOONS AROUND THE GYM. A. A. BOARD HAS SPONSORED "OPERATION BLACKOUT" WHICH HAS STIMULATED MUCH INTEREST IN ALL KINDS OF SPORTS. ATHLETICS HAS AN IMPORTANT PLACE IN CAMPUS LIFE.

ATHLETIC ASSOCIATION

Athletic Association sponsors the extra-curricular sports on campus. There is interclass competition in the major sports, hockey, basketball and softball, and tournaments are held in archery, badminton, tennis, golf, swimming, and ping pong. The Sports Cup is awarded each year to the class which has won the most tournaments; letters and stars are awarded to individuals.

This year A.A. has sponsored the building of an outdoor fireplace, the purchasing of a new three speed recorder for the gymnasium, the operation of Lost and Found, the selling of food at the games, and the selling of Agnes Scott sweaters.

HOCKEY

This year the Sophomores received the Hockey Plaque for winning the most games of the season. The medal for good sportsmanship went to Mary Beth Robinson, a forward on the Senior's team. Miss Wilburn, Joen Fagan, the school hockey manager, and the team-work of the class teams made this season a most exciting one.

BASKETBALL

"Jump ball!" "Did you see that shot? Wonder what the score is now!" Such comments can be heard in the gym on Friday afternoons during winter quarter. As usual basketball is everyone's favorite. Each class plays six games, and the season ends with a varsity game. There was this year a big turnout for the games and practices. The Freshman class won the basketball plaque, and Mary Beth Robinson was awarded the Sportsmanship Medal. Mary Evelyn Knight was school manager, and Mrs. Story coached the teams.

The Varsity Team: Caroline Wells, Harriette Potts, May Muse, Donna McGinty, Louise Allen, Harriet Griffin.

Sophomore Team: Mickey Scott, Betty Ann Jacks, Libby Wilson, Pat Tooley, Lib Flynn, Evelyn Mason, Caroline Wells, Donna McGinty, Mary Evelyn Knight, Harriet Hampton, Georgia Belle Christopher.

Freshman Team: Barbara Battle, Emmie Hay, Rameth Richard, Jane Frist, Louise Allen, Sally Shippey, Betty Richardson, Mary Dean, Nancy Gay, Alice Tramall, Sally Wilt, Harriet Griffin, Dora Wilkinson, B. C. Regen, Joanne Miklas.

ARCHERY

On most sunny afternoons this is a familiar sight from the library windows. Archery, under the management of Sally Legg this year, has its big season in spring quarter when the tournaments are held. Of special interest was the inter-collegiate telegraphic tournament from May 13th to May 23rd. Cake and grab bag shoots on our own campus were also a big attraction spring quarter.

BADMINTON

The badminton season officially got under way in January when the tournament started. Barbara Kelly was the badminton manager for the campus, and Mary Beth Robinson, Carolyn Randolph, Nancy Clark, and Joanne Miklas were the senior, junior, sophomore, and freshman class managers respectively. Mary Beth Robinson defeated Katherine Matthews to win the singles championship; Frances Cook and Mary Beth Robinson were the winners of the doubles tournament, while Katherine Matthews and Barbara Kelly were the runners-up. A highlight of the season was a clinic for all badminton enthusiasts; Mrs. Dobson of the Atlanta Athletic Club came to teach anyone who wanted to learn to play.

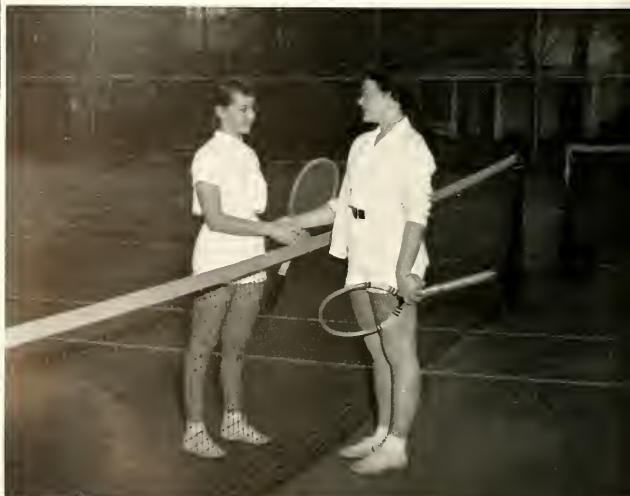

SOFTBALL

The softball manager for this year was Caroline Wells. The spring intramural games are the main softball events. When the annual went to press, much speculation was being made as to who would win the tournament—would the seniors continue their lead and graduate triumphantly, or would the freshmen bring out hidden talent as they did in other sports? Our ardent fan, unofficial coach, and accurate umpire, Mr. Jones, spurs our efforts and zeal during the softball season.

TENNIS

During fall quarter the tennis tournaments were held. Mary Beth Robinson defeated Nancy Burkitt for the singles championship. Tennis was managed this year by Marianne McPherson. Tournaments and the tryouts for tennis club were held during spring quarter. The first anniversary of our laykold surface tennis courts finds them in constant use fall and spring quarters.

DANCE GROUP

An integral part of our campus activity is the dance group directed by Miss Eugenie Dozier. The main purpose of the dance group is to introduce the art of dancing to girls who have had little experience in this particular field. The annual production of this group has become a tradition of our campus. This year Dance Group presented a contemporary ballet, **Rodeo**, and the **Nutcracker Suite**. The members of the group did their own choreography.

The Four Leads in the Rodeo Number: Marilyn Vance, Judy McDaniel, Louisa Allen, and Norma Chamblee.

The Finale of the **Nutcracker Suite**: Marilyn Vance. Around the Semicircle: Ruby Minor, Katharine Hanna, Beverly Espy, Judy McDaniel, Marjorie Young, Mary Dean, Genevieve Lucchese, Ann Hanson, Norma Chamblee, Ann Sayre, Louisa Allen, and Mary Hood.

DOLPHIN CLUB

Dolphin Club gives those girls who are interested in water sports a chance to perfect their strokes, stunts, and dives. This year Dolphin Club presented a water circus, "Under the Big Top," for its yearly water ballet.
