

AGNES SCOTT COLLEGE

Minor in Education

With an Education minor, students will study and explore different systems of education in the USA and other countries. Diverse coursework in learning, arts and education, ESL, technology, exceptional children social justice, and children/young adult literature provide solid foundations for work in youth development, alternative preparation programs for certification, nonprofit education, and teaching abroad.

Internship and Research Sites (*recent Scottie sites)

- Breakthrough
- Bright From The Start*
- Color Wheel*
- DeKalb Education Foundation*
