Alumnae Weekend

APRIL 17-19, 2020

Dear Alumnae Friends,

It's reunion time again! Your Office of Alumnae Relations is busy preparing to welcome you back to your alma mater for Alumnae Weekend 2020.

Celebrating a special reunion milestone, reliving fond memories, connecting—and reconnecting—with friends, taking in springtime beauty on campus, getting a glimpse into the latest at Agnes Scott ... these are all part of what makes Alumnae Weekend special.

Make your plans now to join us for **Alumnae Weekend, April 17–19, 2020**.

You will not want to miss the Friday night “Generation Celebrations” and “Affinity Parties” leading to the All-College Dance Party, which includes those from every class year along with our current students (aka alumnae-to-be). Join us also for timeless traditions including Alumnae Convocation, when we will induct the 50th Reunion Class of 1970 into the Anna I. Young Club, plus the Outstanding Alumnae Award Luncheon and Hub Sing.

Since your last reunion or visit to campus, some things may have changed! We are excited to show off the renovation of Rebekah Scott Hall, including the Kiss Welcome Center for prospective students. We will share preparations for the upcoming restoration of our beloved Main Hall.

With the arrival of a new decade, you will have opportunities to hear from President Leocadia I. Zak as well as alumnae and college leaders. Together, we are ready to chart the course for the decades ahead!

Come back to campus and see why Agnes Scott was named the No. 1 Most Innovative College by *U.S. News & World Report* for **the second year in a row** and No. 1 for Best First-Year Experience, and has gained other national recognition. We have a lot to celebrate!

Alumnae Weekend is a time to embrace what it means to be a Scottie across the generations and right up to today. Staff, faculty and students are eager to welcome you back to Agnes Scott.

On behalf of the Office of Alumnae Relations, we look forward to seeing you in April!

Best wishes,

Mary Frances Kerr '93
Senior Director of Alumnae Relations
