

Safety Practices

Agnes Scott College Dining is committed to the safety and well-being of students, faculty, and staff as you prepare to come to campus this fall. We have implemented the following additional safety processes and protocols:

Social Distancing

- Signage and graphics encouraging spacing
- Establish 'traffic lanes' to facilitate safe movement
- Use stanchions and floor markings for line spacing

Dining Area Adjustments

- Signage and graphics encouraging spacing
- Table and chair configuration adjustments to accommodate spacing requirements

Service Area Adjustments

- Glasses, cutlery, and plates provided by Team Member
- Removing potential contamination points including self-serve buffets, bulk condiments, etc.
- Plexi-glass barriers at all registers

Team Member Health

- Daily health verification by all Team Members
- Daily temperature check for all Team Members

Cleaning and Sanitation

- Extra and frequent cleaning of all high touch surface areas including door handles, condiment stations, faucets, etc.

Respiratory Hygiene

- All Team Members wear face coverings during operating hours

Hand Hygiene

- Signage and graphics encouraging hand washing
- Increased availability of hand sanitizer stations
- Team Members hand washing and glove changes every 20 minutes
