### FROM THE PRESIDENT

#### *Greetings from Atlanta!*

Our campus is full of activity with campers and conference attendees enjoying the campus this summer. As I write this letter, summer activities such as the DeKalb Arts Festival, the Sally Ride Science Camp, soccer camps and swim lessons are taking place. Orientation Council is preparing for the arrival of new students in August. Residence halls are being painted and refreshed, and kitchens are being updated. Inman Hall and Woodruff Physical Activities Building are getting new roofs, and

Evans Hall's roof is being repaired. The admission staff is hosting prospective students for three "Summer Snapshots." It is a busy summer at Agnes Scott!

Faculty and staff eagerly anticipate the new academic year and the arrival of the class of 2008, which includes more than 260 students. More than half of these students ranked in the top 10 percent of their high school class. They come from 32 states and territories and six countries. We look forward to welcoming National Merit semifinalists, athletes, musicians,

# High Bar Set for 2005 Senior Gift Campaign

The class of 2005 has a tough act to follow to surpass the class of 2004's senior gift campaign.

The class of 2004 had the highest participation rate for giving to the annual fund of all 78 classes, setting an all-time record with 90 percent.

"I hope 2005 gets the message they have their work cut out for them this year!" said Emily Henderson '03, annual fund officer. She wants the right senior to lead the 2005 campaign.

"I'm looking for someone with a lot of spirit, energy and creativity," Henderson said. "The 2005 senior gift campaign chair will need to not only be able to communicate to her classmates why this concept of 'giving back' is so important, but she will also need to be able to instill that sense of competition that made 2004 so successful."

The 2004 senior gift campaign raised \$4,069, totaling \$6,069 with two matching gifts of \$1,000—one from President Mary Brown Bullock '66 and husband, George, and one from an anonymous donor.

The seniors received the Mollie Merrick trophy, named for Merrick '57, associate dean of students emerita. The award was established in 1998 to recognize the young alumnae class with the highest percentage of annual-fund participation with more than 30 percent.

"The real reason I'm proud of our class is that this wasn't just a Black Cat spirit competition or a one-up contest," said

**Courtenay Miller '04, (right) senior gift campaign chair, accepts the Mollie Merrick trophy at commencement on behalf of the class of 2004 from Barbara Byrd Gaines '77, alumnae association president.**

Courtenay Miller '04, senior gift campaign chair. "We raised money to further the integrity of the institution and education for other women in future generations."

"It is really difficult to ask friends and peers for money," campaign member Carrie Crosby '04 said. "The best method that I have found to make people understand the importance of giving is by

telling them that our new ranking as a top 50 school is partially due to participation in the annual fund."

"This year's seniors have a lot of spirit, and the stage is set for this class to step up to the challenge," Henderson said. "I'm looking forward to working with the Queens of the Nile to set a new record of giving in 2005!"

## INTERESTED?

Any senior interested in chairing the senior gift campaign should contact Emily Henderson '03 at [ehenderson@agnesscott.edu](mailto:ehenderson@agnesscott.edu).

## Student Employment Procedures

If you work on campus, you must comply with federal employment law and complete an I-9 Employment Eligibility form, as well as federal and state tax forms. This form requires documentation of eligibility to work in the United States. Documentation examples are a U.S. passport, a valid driver's license or a birth certificate. Failure to provide this information will result in your not receiving a paycheck.

Complete your timesheet each day. At the end of the pay period, you and your supervisor should sign your timesheet. Late timesheets

are held until the next payroll. All timesheets are due by noon on the due date, unless otherwise noted.

When paychecks are issued, they will be sent to your student post office box in Alston Campus Center. Lost paychecks will incur a cost for being stopped and reissued.

Forms for student-employee direct deposit are available in the office of human resources/payroll, located on the ground floor of Presser Hall. Questions? Contact Terry McMichael, payroll manager, at 404 471-6307.

## Reaching Out To Reconnect Alumnae

Are you proud to be a Scottie? Do you love to talk about Agnes Scott? If so, the student-calling program is a great job opportunity. The program needs you for "The Voice of Agnes Scott!"

The program seeks student ambassadors to join its calling team for the fall semester.

Student callers phone alumnae to share news about the college and ask for their financial support of the annual fund.

Team members work two to three nights a week for six weeks in the fall. The program offers competitive hourly rates, great giveaways and thorough training.

For more information, contact Emily Henderson '03, annual fund officer, at **404 471-5479** or **ehenderson@agnesscott.edu**.

## Colonnade Club Seeks Members

The Colonnade Club, created in 1996, is a service-oriented student organization that assists with the advancement of the college through the development and alumnae offices.

Members cultivate and continue relationships among students and alumnae by participating in campus tours, chapter events, Alumnae Weekend and student-alumnae liaison programs.

Potential members should be enthusiastic about the missions of the college and Colonnade Club, have an interest in institutional advancement and be reliable and dedicated to volunteering for alumnae programs.

Every year at Awards Convocation, the alumnae association gives the Colonnade Award to a club member who has been outstanding in her service to alumnae, the college and the community.

The recipient may use the monetary award for any purpose. All Colonnade Club members are eligible.

Interested students should contact co-advisers Martha Ille, assistant director of alumnae relations, at **404 471-6374** or **mille@agnesscott.edu** or Emily Henderson '03, annual fund officer, at **404 471-5479** or **ehenderson@agnesscott.edu** for an application.

To begin your search for a fall internship from home, log on to **www.monstertrack.com** and use the password "success."

### Seniors, We Want to Meet You!

Seniors, you will be asked to come to career planning this fall. If you are planning employment after graduation, meet with Catherine Neiner, director of career planning. If your

# Protecting Your E-Mail Account and Computer: Some Dos and Don'ts

## DOS

### 1. Do know and understand the Acceptable Use Policy.

You may access the policy at [http://www.agnesscott.edu/home/p\\_acceptableuse.asp](http://www.agnesscott.edu/home/p_acceptableuse.asp).

### 2. Do practice password safety.

Keep your ASC password secure.

For other Internet site passwords, choose secure passwords. Do not share your passwords with your friends or family. A password policy for the college has been developed

and will be enforced for all students beginning Sept. 6. Review the password policy at <http://its.agnesscott.edu/OnlineDocs/Passwords>.

Instructions for how to change your password also can be found on the site.

### 3. Do be careful with your computer files and e-mail.

If it's a really important paper, make more than one copy of it and don't keep both copies on the same diskette. Save often and in

multiple locations. E-mail a copy to yourself. Print a copy.

## DON'TS

### 1. Don't forget to log off when you leave a computer.

Failing to log off a computer or log off your e-mail account leaves the door open for unwanted activity with your account.

### 2. Don't open e-mail from strangers.

Computer viruses are a real threat. To ensure student personal computers contain sufficient virus protection software, the college supplies

Norton AntiVirus software to all students who have a personal computer connected to the campus network. Update your virus software weekly and scan your hard drive weekly. Scan any diskette or CD before opening documents.

### 3. Don't file share.

Do not share or download copyrighted music, sound files or video files for personal enjoyment. Know what you are giving people access to before you share it.
