Honor Scholars Weekend

Thirty-five finalists in the first annual Agnes Scott Honor Scholars competition will arrive on campus Thursday, February 14, for two days of activities surrounding the interview sessions. They will spend Thursday and Friday nights in the dormitories, attend class on Friday morning, and meet with academic departments on Friday afternoon. Individual interviews will take place in the Board of Trustees Room in the Library on Friday and Saturday.

Junior Year Abroad

The Agnes Scott catalogue, page 37, contains a statement about the junior year abroad. Sophomores are reminded that a written request to take the junior year abroad must be filed with the Dean of the College and must be approved by the Committee on Academic Standards. These requests were due on February 1. Sophomores who intend to be away for the junior year and who have not filed requests should file them immediately with Dean Gary.

Academic Year and Summer Programs Abroad

American Institute of Foreign Study offers academic year and summer programs in Great Britain, France, Austria, Spain, and Italy. Jean Hague, representing AIFS, will be on the campus Monday, February 18 from 11 a.m. until 2 p.m. to talk with students who are interested in discussing the programs. Students who wish to talk with Miss Hague should sign the appointment sheet in the Office of the Dean of the College on or before Wednesday, February 13. The location of the discussion sessions will be announced at a later date.

Course and Section Changes

Course and section changes for the spring quarter must be made on Tuesday, February 19 and Wednesday, February 20. Students who wish to make spring quarter course changes or section changes in courses continuing from the winter quarter may do so on these two days. Students who are red-tagged or who have not completed the spring quarter section of their course cards or who have schedule conflicts must make the necessary changes on February 19 and 20.

Complete instructions will be placed in all students' campus mail boxes. Any changes not made on February 19 and 20 will be delayed until the drop/add period during the spring quarter (March 24-April 2).

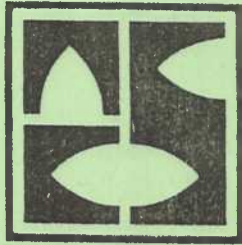

Financial Aid

All students interested in applying for financial aid for 1980-81 who have not already received forms in their mail boxes should come to the Financial Aid Office and pick up the financial aid forms and sets of instructions for 1980-81. Students are urged to complete these forms (FAFs) as soon as possible.
