CPO Newsletter Changes

Beginning January 5, copies of the CPO Newsletter will be available on the table in the mailroom instead of in the individual mailboxes. The CPO Newsletter will also have a new format. With this new format, newsletters can cover information of particular interest to each class.

Opportunities for Christian Mission

Anyone interested in summer or full-time missionary opportunities, either overseas or in the U.S. should contact Mary Jane Cornell, College Chaplain, for details and application forms. Mary Jane will be in #4 Main on Wednesdays and Fridays, 1:00-4:00 p.m. (or telephone 284-2313).

In Case of Severe Weather

If Agnes Scott College is to be closed in bad weather, WGST 920 AM and WSB-TV, Channel 2, will be notified. Listen to your radio or TV for announcements. If the College is not closed, use the following guidelines to secure additional information or to report absences.

Resident students - A notice will be posted on the bulletin board in Buttrick Lobby with up-to-the-minute reports of classes which are canceled. Please check this bulletin board. Do not call the College switchboard operator; do not call the Office of the Dean of the College.

Commuting students - If you need information about the cancellation of specific classes because of the absence of the professor, call the Office of the Dean of the College.

Faculty - If you are unable to come to the campus to meet your classes, notify the Dean of the College after 8 a.m.

Staff - Contact your immediate supervisor if you are unable to come to work.

Campus Development Study

The services of Spillman Farmer Architects of Bethlehem, Pennsylvania, have been engaged to prepare a master development plan for campus buildings and grounds, and they begin their work on January 3. The firm was selected by a committee composed of members of the Faculty Committee on Campus Development and Use and representatives from the student body, the administrative staff, and the Buildings and Grounds Committee of the Board of Trustees and was approved by the Executive Committee of the Board. Spillman Farmer has done campus planning at a number of fine colleges of our general size and nature, including most recently Randolph-Macon Woman's College, and they come to us highly recommended. Robert Spillman and his associates are eager to establish communication with the college community in order to identify campus problems, needs and goals.

Energy Study

Facility Management Consultants, Inc., of Atlanta will be conducting a comprehensive energy study for the College. This firm will work closely with the campus planners and will develop an energy conservation program, recommending ways to decrease energy costs and eliminate expensive energy waste.

Vice President Search

The screening committee to recommend candidates for a new Vice President for Business Affairs to take office after Lee Barclay's retirement in June is hard at work. The committee is composed of Sandra T. Bowden, Constance A. Jones, and Patricia Pinka, who represent the Executive Committee of the Faculty; Julia T. Gary; Kate B. Goodson; James E. Hooper; William J. Korth; Rickard B. Scott; and Bertie Bond, who serves as staff to the committee. Representatives from the student body and the Board of Trustees will be included at the interview stage of the search process.

Health Insurance Program

Faculty and Staff: In a memorandum to faculty and staff dated December 20, 1983, dealing with the Health Insurance Program, I stated that a representative of Pru Care of Atlanta, a health maintenance organization, would be on campus in early January to discuss the option of transferring from Liberty Life Assurance to Pru Care. Mr. Lyn Madison of PruCare will be in the Film Room, Buttrick Hall on Tuesday, January 17 from 3:15 to 4:30 p.m. to discuss their program.

Economic Equity

"Economic Equity for Women" is the focus of an upcoming lecture and discussion to be presented by the RTC Campus Enrichment Committee on January 18 at 11:30 a.m. in Rebekah Reception Room. With women still earning 40 percent less than men, the issue of comparable pay (equal pay for occupations that are equal in skill, effort and responsibility) is a key element in continuing efforts for equality for women. The college community is encouraged to attend the discussion of this timely issue featuring Janet Litt, an Atlanta attorney and member of the Legal Research Committee of the Georgia Women's Political Caucus.

May 11, 1984

Members of the Agnes Scott Community:

A new concept for a major weekend in the fall of 1984 has emerged following discussions with the administrative officers, the Community Day Committee which planned the 1983 "Great Scott Festival," and consultation with the rising senior class. Parents of all current students will be invited to come to Agnes Scott for the entire weekend, and our friends and neighbors from Decatur and Atlanta will be asked to join us for an open house on Saturday.

Great Scott Weekend will be a three-day celebration which includes:

Friday, October 19

Kick-Off Wine & Cheese Party
Alabama Shakespeare Company Production

Saturday, October 20

"Heart & Sole" 10K Run
Parents' Forum and Continental Breakfast
Community Day (10am-4pm)
Fall Fling--A Campus-Wide BASH

Sunday, October 21

Senior Investiture Breakfast--for seniors and their parents
Senior Investiture Service--everyone welcome

Great Scott Weekend is an integration of three major campus events. Parents Weekend brings together parents of students representing all four classes to see the college, meet the faculty and staff and initiate a parents organization. Community Day is a fun-filled day of exhibits, performances, and other exciting activities. Students, faculty and staff are encouraged to participate in any of a number of ways. For all those who wish to flaunt your artistic talent, create and submit a design for the Great Scott T-Shirt. Submissions must be in by September 15. Additionally, booths will be set up for those of you who are interested in selling your artistic wares. Even if your artistic abilities are less than extraordinary, don't despair--you can still be involved!! Volunteers are needed for a diverse range of employments including public relations, balloon maintenance, the vending of edibles, and other meet 'em and greet 'em activities. Above all, we would like to encourage everyone's enthusiasm and participation as we host both parents and community on this festive day. Lastly, Senior Investiture marks the culmination of this celebration as parents, students, and college community come together to recognize the new senior class.

The success of this new endeavor depends on the excitement, dedication, and participation of the campus as a whole. Let's work together to make Great Scott Weekend the beginning of a truly sensational tradition.

Sincerely,

Libba Boyd

A N N O U N C E M E N T S

Convocation Speaker - October 17

Our speaker at Convocation on Wednesday, October 17, will be Dr. Paul S. Crane, former Director and Chief Surgeon of the Presbyterian Medical Center, Chonju, Korea. Dr. Crane has served as Interpreter for Presidents Kennedy and Johnson on their state visits to Korea. He is the author of Korean Patterns, all-time Korean best seller of a book printed in English. Dr. Crane will be accompanied by his wife, Sophie Montgomery Crane, Agnes Scott, '40, who has participated with him in many of his activities and who is currently writing a history of medical missions for the Presbyterian Church.

"Arms and The Man"

Tickets for "Arms and The Man" performed by the Alabama Shakespeare Company on Friday, October 19 at 8:15 p.m. in Gaines may be purchased at the Information Desk in Buttrick Lobby. Tickets for students, faculty and staff (faculty/staff families) are \$3.00.

Energy Conservation

Congratulations to our faculty, students and staff! Our energy conservation measures were effective during September such that our electrical demand was reduced by 9.1%. More dramatically, our consumption was down 30.3% since September, 1982. We had expected that our demand would go down due to Inman being out of service and the energy efficient light fixtures we installed. Of the 9.1% reduction, seven (7) percentage points of it, or 77%, was due to Inman and light fixture changes.

Our savings due to conservation measures beyond Inman and lighting will net the College about \$2,000 during the year. Since our consumption was down significantly our effort was not wasted. To celebrate this fact, and to help keep us sensitive to this issue, the Vice President for Business Affairs will appoint a three member committee of a faculty representative, a staff representative and a student representative to solicit ideas and choose the best one on how to spend one-half of our current estimated savings. For this year, therefore, we will allocate \$1,000 to be spent in a fashion deemed by the Committee to be most appropriate. The range of ideas can be as diverse as a celebration party for the campus as a whole, or to fund some particularly meaningful project. The Committee will announce the winning idea(s) in the Weekly Calendar.

French Films

The French Department invites the entire Agnes Scott community to the first in a series of French films to be shown this year. We will begin with Alain Resnais' "L'Année Dernière à Marienbad" to be shown at 4:30 and 7 p.m. in the Buttrick film room (G-4) on Tuesday, October 23. The movie will have subtitles and is free to all. Based on the 'ciné-roman' of Alain-Robbe Grillet, this film is one of the more mystifying and intriguing produced in recent years (1961). Do come!

Spending Spree!

The Agnes Scott Community was directly responsible for the effort to reduce energy consumption and, therefore, you have the opportunity to help with the decision on how best to use this money. The committee, composed of student representative Bradie Barr, staff representative Katherine Brewer and faculty representative Bob Leslie, is soliciting ideas from the entire campus community. Update on Inman Dormitory and Walters Bookstore and Post Office

The plans for the renovation of Inman dormitory and Walters Post Office and Bookstore are on schedule, so that occupancy on Inman will be in September of 1985. The Bookstore and Post Office will move to Walters during the Thanksgiving break. Construction on the public entrances will be finished by March 1, 1985. The Inman dormitory final mechanical drawings and architectural drawings are due to the College on November 26, 1984. During that week the bidding process for general contractors will take place. The bids are due back to the College at 2:00 p.m. on December 20. They will be opened at that time, a general contractor determined, and construction on Inman will begin.
