ANNOUNCEMENTS

Convocation - January 8, 1986

"Central America: The Presbyterian Church's Position"

Recent positions taken by the General Assembly of the Presbyterian Church (national governing body) presage a growing church/state opposition of potentially explosive proportions. A must event for students in touch with their times and with Christianity in the U. S. and world-wide.

Office Services

An IBM XT microcomputer with a Hewlett-Packard Laserjet printer is now located in Office Services. When not being used for administrative computing it will be made available for general use. There will be a copy of Microsoft Word TM word processing software available (a Wordstar TM conversion program comes with it). PLEASE NOTE: Document creation and/or extended editing should be done on the departmental micros (or those in the Library).

The offset press is a high volume printing device and is not designed for short runs. Therefore, there will be a minimum charge of \$5.00 for any offset work (4 x 6 cards are exempt). New rates went into effect December 1, 1985. (See rate sheet posted in Office Services.)

All offset work must be copy ready and must be submitted a minimum of three working days in advance. An offset request slip should be filled out with your account number. There will be very limited offset runs when student aides are not available (exam periods and between terms). You may wish to consider using the copier instead.

College related faculty/staff work has priority over student and personal copies. Short runs have priority over long runs. Remember that there are copiers available in the Library and in the basement of Winship.

If Agnes Scott College is to be closed in bad weather, WSB 750 AM, WGST 920 AM and WSB-TV Channel 2 will be notified. Listen to your radio or TV for announcements.

Illegal Parking

Since the fall quarter began and renovation at Main and Rebekah was initiated there have been severe parking constraints on this campus. However, sufficient numbers of parking spaces remain between the Candler Parking Lot, the Tennis Court Lot, the Physical Plant Gravel Lot and the McCain Lot (next to the President's House). Parking in "Fire Lanes" or in front of "Fire Hydrants" cannot -- and will not -- be tolerated any further. Students or their guests, who continue to do so will be ticketed with a City of Decatur (Police) citation requiring a fine reimbursement of \$15.00 (for each violation) or an appearance in the City's Recorder's Court to appeal (court appearances are on the last Thursday of each month). Additionally, students with permits will be sought out (regardless of the time of day or night) to move their vehicle to a legal parking space. Remember "escorts" to and from perimeter parking areas are provided by the Department of Public Safety.

Junior Jaunt Week

The Junior Jaunt project is an effort by each class to raise money for a specific charity chosen by the student body. The Junior class sponsors this project and has designated the week of January 19-24 as the period during which the Agnes Scott community will work toward aiding a worthy cause. The Junior class, is co-sponsoring, in conjunction with Social Council and BSA, a band party on Friday, January 24, culminating this fund raising week. All profits will go to benefit the chosen charity. All students are urged to participate.

Freshmen will waitress all three meals for Junior Jaunt on Wednesday, January 22, 1986. Freshmen will clear your table and add to the pleasure of your meal for spare change tips!

Fitness Can Be Fun?

Join the ranks of those who care what shape the world is in. But before you look at the world, take a look at yourself. What kind of shape are you in? A new aerobic dancing class designed specifically for beginners will be held on Tuesdays and Thursdays from 4:45 to 5:45 beginning January 23. Instructor Linda Florence has six years experience showing people they've got a lot to lose if they don't shape up. Commit yourself to giving eight weeks of your time and \$32 of your money -- what have you got to lose? Class meets in the Gymnasium's Tap Room (bottom floor, first door on the right). Wear loose, comfortable clothing and tennis shoes. Call Linda at Ext. 285 if you have any questions. First class is FREE.

Save Your Pension

Policy holders of Teacher's Insurance and Annuity Association-College Retirement Equities Fund, TIAA-CREF, are urged to oppose the Tax Reform Act of 1985 (HR 3838) which would adversely affect their pension funds.

The Act would tax TIAA-CREF and impose on private non-profit organizations pension plan rules designed for profit-making organizations.

ANNOUNCEMENTS

From the Chaplain

THE REV. AND MRS. BEN WEIR TO VISIT AGNES SCOTT.

Agnes Scott students, staff, and faculty, as well as the entire surrounding community have a unique opportunity on Sunday, January 26, 1986, at the Vespers Service in Maclean Chapel. The Rev. Ben Weir, Presbyterian minister and missionary, who was held hostage in Beirut, Lebanon for 500 days, and his wife, Carol, will be on campus at that time to lead the Vespers Service. Of the seven hostages held in Beirut, Ben, released in September, is the only one who has been given his freedom. Both Ben and Carol will speak at Vespers and there will be opportunity for questions afterwards.

Please notice that the time of the service is not at the usual Vespers time which is 6:00 p.m., but this service is to begin at 7:00 p.m. and will be finished by about 8:00 p.m.

Following the service the campus community is invited to the President's house for a reception.

At 5:30, interested students may hear a short (30 min.) presentation from Sharon R. Herson, a representative of The Kaplan Educational Centers, regarding courses preparing students to take the admission tests for the professional schools they may be interested in attending. It is especially imperative that juniors consider this preparation course (but it is not necessary that all should take the course). The dates for this year are April 19 and September 13, with deadlines for application at least five weeks before the test.

If you are not able to attend the meeting, please notify me of your interest in these careers so that I may send you notices regarding advising.

Actions of the Board of Trustees - January 17, 1986

The Board of Trustees, acting on a recommendation from President Schmidt who had consulted with representatives of the various constituencies of the College, confirmed the appointment of Acting Dean Gue P. Hudson as Dean of Students, effective January 17, 1986.

The Board adopted the following resolution:

That the Board of Trustees of Agnes Scott College is opposed to apartheid as practiced in South Africa and endorses the Sullivan Principles;

That the Board believes that the investment policy of the College must address not only South Africa but broader issues of social responsibility;

That the Board believes that the social responsibility of a company is reflected in the investment quality of a company so that the investment policy of the Board is in fact a policy which requires investment only in socially responsible companies;

That the Board commends the students of Agnes Scott College for their expression of concern about apartheid;

That the Board is concerned that the College community continues to evidence its commitment to moral values in every aspect of the life of the College and desires to maintain a dialogue within the community that will provide a high level of community consciousness of moral issues; and

That the Student Affairs Committee of the Board is hereby directed to meet with appropriate student representatives to communicate the contents of this resolution, to establish an appropriate vehicle to express the College's opposition to the apartheid of South Africa, and to explore ways in which to encourage continued consciousness of moral values in the Agnes Scott Community.

The Board of Trustees, acting on the report of the architects (Taylor Anderson) and the endorsement of that report by the Centennial Campus Committee and the Buildings and Grounds Committee of the Board, has authorized the construction of a new Physical Activities Center to be built near the new track and the renovation of the Infirmary and Gymnasium into a Campus Center.

The Physical Activities Center will include a 6 or 8 lane pool, regulation basketball court and stands, lockers for women and men, mechanical room, weight and training rooms, faculty and ticket offices, etc.

The Campus Center will house a snack bar, TV lounge and game room, chapel and chaplain's office, racquetball courts, mini gym/gymnastics, lockers, dance studio and offices, weight and training rooms, classrooms, etc.

Summer Bulletin

August 1, 1986

The Board of Trustees has completed its first annual evaluation of the Presidency, the governing structure and progress of Agnes Scott College. At its July 31 meeting, upon the recommendation of the assessment committee, the Board voted to affirm the Presidency of Ruth Schmidt. Every member of the Agnes Scott family will be receiving soon a letter from Lawrence Gellerstedt, Chair of the Board of Trustees, communicating further information about the evaluation.

The College has received an unrestricted bequest for \$491,482 from the estate of Omah Buchanan Albaugh (ASC '16).

Alisa Wendorph, in the Publications Office, is leaving July 31. Now that her husband, Joe, has finished the Seminary they are moving to Florida for his new position. Alisa is being replaced by Stacey Noiles, the new Publications Coordinator for alumnae periodicals. Stacey has a B.A. from Smith College and a Masters degree from Columbia University. In the Development Office Phyllis Campbell is the new Director of Geographic Campaigns. She will be working on recruiting and leading the alumnae fund raising efforts in targeted cities around the country. Phyllis has a B.A. from Guilford College and M.Ed. from Georgia State University, and was formerly employed by the Woodruff Arts Center.

POLICY PROCEDURES ARE AS FOLLOWS:

1. All signs and posters must be approved by either Ms. G. or a BSA member. Approval constitutes a visibly displayed stamp and signature.
2. There will be designated areas for postings. Doors and entrance ways are no longer acceptable. Additional space will be secured for lobby areas and residence halls.
3. All signs and posters must be removed within 24 hours after the scheduled event has taken place. **If they are not removed, a member of BSA will remove them and this will be taken into consideration before the next approval is given.

World Food Day

DID YOU KNOW...That 40,000 children die each day worldwide from hunger or hunger-related causes?

DID YOU KNOW...That every day the world produces two pounds of grain for every man, woman and child on earth..enough to provide everyone with 3,000 calories a day?

WHY? WHAT CAN WE DO ABOUT THIS IMBALANCE?

These and other world hunger related issues will be discussed during the Agnes Scott World Food Day on Wednesday, October 15. The Convocation speaker will be Dr. George Worth from the Koinonia Community, Americus, Georgia. A graduate of Davidson College, Dr. Worth earned his Master's Degree in Education from the University of North Carolina. He received the LL.D. Degree from Yonsei University, Seoul, Korea. He lived in South Korea for many years where he was advisor to the Korean Government on Maternal and Child Health and Family Planning, and as Advisor in Teacher-Education for the Ministry of Education for the Republic of Korea.

At lunch time on Wednesday, from 11:30 a.m. to 1:30 p.m. there will be a "Hunger Event" in the Dining Hall at Agnes Scott. Those who choose to participate will experience a glimpse of what it is like to live in a world where 3/4 of the world's production is consumed by 1/4 of the world's population.

Students, staff and faculty will have an opportunity to sign up to participate in this event at lunch time on Monday and Tuesday in the Dining Hall between 11:30 a.m. and 1:30 p.m.

Open Discussion of Elections '86

An informal discussion -- led by a panel of the faculty in Political Science and a former member of the faculty in Political Science -- of national election results and what they mean for the nation and for the Reagan Revolution in the next two years and beyond. Since politics does not always conform to the expectations/forecasts of the experts and students of politics -- everyone is encouraged to come and contribute her/his bit of political hindsight and foresight.

Dean's Lecture Series

The Dean's Lecture Series was established last summer by Dean of the College, Ellen Hall. Dean Hall is pleased to announce that the first Dean's Faculty Lecturer will be Professor Linda L. German Movie

Romantic story of American students falling in love with one of the most beautiful cities in West Germany: its quiet alleys and paths, cozy taverns, the glittering of the Neckar River and the ruins of the castle...that's Heidelberg. Even though the life-style of today's generation has changed, Heidelberg has remained the same.

Don't Quote Me

The "Don't Quote Me" Lunch Series, sponsored by Mortar Board, is an informal lunch discussion intended for campus enrichment on topics relating science to current political and social issues. Expertise in the fields of science is neither required nor expected. Professors and students are welcomed to join the discussion at any point, as schedules allow. Food is not provided; individuals should bring their lunch trays through the food line and to the discussion. The luncheon series is offered twice each semester, and topic suggestions are welcomed and may be directed to Mortar Board, Box 297.

This week's discussion topic is "Strategic Defense Initiative." Discussion will be led by Dr. Bowling and Dr. Scott.

In a live television "spacebridge" spanning the continents of North and South America, the 1986 Beyond War Ceremony will honor the four nations of The Contadora Group (Colombia, Mexico, Panama, and Venezuela) for their "dedicated efforts toward peaceful solutions to the conflicts in Central America." The Presidents of the four countries will receive the 1986 Beyond War Award via live satellite transmission in their respective capitals. Members of the Agnes Scott community are invited to join members of the Greater Atlanta community in attending the television presentation. Tickets are \$7.50 (\$5.00 for students) and may be obtained by calling 875-3266. There will be no ticket sale at the door.
